**Trail run... where
the obstacles are
the zombies!**

What is the rUNDEAD?

A 5k trail run through the State Park where runners are trying to escape hungry zombies.

Will You Survive?

Each runner will start off with a flag belt and three flags. These flags represent your lifelines. Zombies throughout the course will be attempting to take these one at a time. If you lose all three, your dead and the zombies have won.

Escape the Virus!

Health stations will be scattered throughout the course. If you choose to make a stop and receive a time penalty, you can gain another lifeline.

Use speed, strategy... whatever it takes to keep your flags. If you finish the race with at least one, you've survived. If zombies have taken all your flags you can complete the race but you won't be eligible for awards.

The Zombies

Running races not your thing? Be a zombie! Each zombie will be transformed in our "Mob Tent" the day of the event from 7:30am to 9am. Bring your own attire and let us make you into the undead.

Hunters & Crawlers

We're recruiting two types of zombies to go after their meals. "Hunters" will be allowed to chase runners for a short distance. "Crawlers" can walk, stumble, shuffle or band together to strategically remove flags. Zombies are not allowed to physically touch runners.

Join the Mob!

The cost to participate as a zombie is \$15 pre-registered or \$20 day of. Zombies can sign up as individuals or teams. We'll place zombie teams together along the course. Each zombie receives their official transformation, a rUNDEAD race t-shirt, participation in race day festivities and the thrill of the chase. All ages welcome!
