

The 10th ANNUAL FUTURES MEET

AT NISKAYUNA

Friday, May 8 4:30pm

The Mohonasen Running Booster Club is pleased to invite you to The Futures at Mohon, a championship style Frosh/Soph invitational designed to highlight the future stars in track & field. These young athletes will have the opportunity to perform under the lights in a top-notch facility (site of the 2025 Colonial Council Track & Field Championships). In addition to a traditional order of events, we will highlight the shotput, 100m dash, and 1500m/1600m run with specific Frosh and Soph champions crowned in each event. This year we are contesting the 300 hurdles instead of the 400 hurdles

The meet will feature custom glow-in-dark medals with our meet logo for the top six athletes in each event. We will also have t-shirts for sale and a bistro style food court with some of the best homemade dishes in the area. Coaches of the first 15 committed teams will receive a free t-shirt and an all-night bistro pass. We look forward to hosting you on Friday, May 8th.
